Most Requested Seminars, Training & Workshops:

STAYING CLEAR: A ROADMAP FOR CHALLENGING TIMES

Learn how finding clarity in one’s life can lead to greater contentment and decision-making skills. This seminar will also help you align your employees to the values your organization wants to hold onto in these challenging times. We’ll explore how the framework, “CLEAR,” encapsulates the key issues that help us lead a life of personal leadership and personal clarity. Courage • Leadership • Ethics • Authority • Role

LEADING PEOPLE: LEADING CHANGE

Learn how to read new realities and mobilize people to transform, not just change. If you want a vibrant organization you need people to be awake, adaptable, energetic and efficient. To create an effective organizational culture at this time requires a deep shift in people’s mindsets, attitudes and behaviors. It requires new ways of being in the world and new ways of responding to the ever-changing realities. Annabel can provide you with the insights and the framework for shifting people’s minds and ways to mobilize them to reach new potentials.

This highly popular seminar has been cited as - “*life changing*,” “*so obvious yet I never realized the power of seeing it this way*,” “*the best explanation of leadership in action I have had so far*.”
